① Students planning to apply to professional programs are strongly encouraged to determine the necessary undergraduate requirements that are available in other faculties such as Science and Arts.

② Students in the Human Kinetics Interdisciplinary Studies stream must complete a minimum of 18 credits of non-HKIN electives, of which at least 12 credits must be at the 300/400 level.

③ All students must complete 30 credits of HKIN at the 300/400 level

④ All students must complete 48 credits at the 300/400-level.
